

Manufacturer:
MicroCare

Product Name:
MicroCare Sticklers™ Pro360° Cleaning Fluid Canister

Manufacturer Part Number:
MCC-P360SOL

▶ [Click here for more details on the MicroCare Sticklers™ Pro360° Cleaning Fluid Canister](#)

An industry first portable device that incorporates best-in-class benefits to spray a high purity solvent onto an end face for non-contact cleaning. The spray is followed by an air burst causing a Coandă effect allowing the process to clean 360° of the ferrule end face surface to the edge.

Product Features:

- Touchless cleaning eliminates static and scratching
- Full end face 360° clean prevents migratory residues and particulate from getting near the core
- One device with tips cleans various connector sizes: 1.25mm and 2.5mm are standard (other sizes are in R&D)
- One activation delivers a micro-dose of atomized cleaning fluid inside a narrow column of pressurized air onto a fiber optic connector end face to the ferrule edge
- Easy activation reduces technician fatigue
- One cleaning tool for a host of fiber cleaning applications
- One compact device for field portability (battery) or AC line-powered for in-house, high-volume use

Multiple US and International Patents Pending

Sticklers Pro360° Touchless Cleaner
Part Number: MCC-P360

DESCRIPTION	QUANTITY
Pro360° Touchless Cleaner Tool	1
Shoulder Strap	1
Rechargeable Lithium Ion Battery	2
A/C Power Supply & International Adapter Set	1
Pro360° High Purity Fiber Cleaning Fluid (2000+ cleans)	1
Pro360° Cleaning Tip, 1.25mm (for LC, MU)	1
Pro360° Cleaning Tip, 2.5mm (for SC, ST, FC, E2000, OptiTap®)	1
Owner's Manual	1

Sticklers™ Pro360°™ High Purity Fiber Cleaning Fluid

Part Number: MCC-P360SOL

- One spill proof replaceable fluid canister gets 2000+ cleans
- Nonflammable cleaning fluid canister is easy to install
- Ships non-hazardous/not regulated globally by all modes of transportation
